Dear friends!

NGO Student Journalism Planform united three universities to implement the ambitious project, the first step of which is the English language course:

Norwegian Model of Free speech for Ukrainian Media Students

What is our purposes?

- To introduce basic principles, ethical standards and professional culture of Norwegian media as a tool of democracy and social communications to Ukrainian university students and journalism teachers.
- To bring to the Ukrainian media and educational space more information about Norwegian media culture.
- To promote the professional network building between Ukrainian universities' journalistic communities and Norwegian journalists and media experts.
- To provide international practice experience for Ukrainian journalism teachers and students.

Our lecturers are

famous Norwegian
journalists, media experts
and specialists in social
communications
